Completed 150+ hours of learning in 2020, thereby earning the IBM Champion Learner - Bronze badge.

Client Funded Award

Received 'Client Funded Award' in 2019 for demonstrating the IBM Practice: Put the client first.

Manager's Choice Award

Received 'Manager's Choice Award' in 2017, 2018 and 2019.

SUMMARY

I am a full stack Data Scientist - motivated, upbeat and resilient, with experience in both academic and corporate settings. Having been involved in the development of an analytics engine, I am thoroughly experienced in the development and use of data ingestion, data analysis, machine learning and data visualization tools. In addition to my technical skills, I am also a strong communicator and have experience working in team-based environments.

EXPERIENCE

Data Scientist

Sep 2021 - Present

Thinkbumblebee Analytics Private Ltd.

Besides leading the Client Management team, I'm actively involved in the development, optimization and maintenance of data science and data engineering features of the product, Propellor.ai
