◯ Sakinduhewa

Undergraduate Interested in computer science and software engineering currently studying at IIT(Informatics Institute of Technology) affiliated with university of Westminster. I am interested in learning from experienced professionals and i am continuing to better my self in the pursuit of my goals.

Education

Informatic Institute of Technology	2023 - 2027
BEng (Hons) Software Engineering	Currently Ongoing
Informatic Institute of Technology	2022 - 2023
Foundation Certification In Higher Education	Completed with a Distinction
Lyceum International School Nugegoda	2011 - 2021
National Stream O/L	1A, 2B, 5C, 1S

Skills

- Java
- Python
- CSS
- Html
- Javascript
- Docker
- Machine Learning
- Linux
- Leadership
- Robotics

Experience

2024 April - September

Worked at a startup named Bloomi as Intern Software applications where i devaloped skills in docker, python, Linux and C++

Projects

2024	2024	2024
Color Recognition Model Bloomi • Yolov5 • Python	**App Deployement** Bloomi • Docker • Amazon Aws • Linux	**Color Recognition Device** Bloomi • Robotics • Audiuno • C++
2024	2024	2024
Software Development Group Project Informatics Institute of Technology • Ongoing	**Designed an App** Informatics Institute of Technology • Designed an app using figma to track the whereabouts of a child to and from school	**Re-Created MasterMind** Informatics Institute of Technology • Python
